Sponsor Ty1D & Carer \$3200 or \$6400 per family *2A2C

Want to Sponsor a Type ONE Diabetic child or Adult & their carer or Family to learn more about Intense Management of Type ONE diabetes in a relaxed family environment. Create a bigger support network and invite friends and family that would love to learn more about managing type ONE diabetes...

DANII Foundation runs an annual FUN Educational Cruise for Ty1D's and their family. Sponsor a child and their carer or a family to join our next Jelly Bean Cruise aboard the newly refurbished P&O Pacific Explorer cruising from Sydney on 24th September 2017.

Type ONE Diabetes EDUCATIONAL "Jelly Bean Cruise"
Departs Sydney 24th September 2017 - Phone +61 2 98885555

The program is vitally important for children with Type 1 Diabetes and their families. The program aims increase the quality of live for those affected beyond the event. It is an opportunity for children living with Type 1 Diabetes and their families to hear and learn from Australia's leading diabetes educators on how to best manage their diabetes both on an individual basis as well as in group workshops and presentations with Q&A.

Experts in fields such as psychology, nutrition and also endocrinologists experienced in Type 1 Diabetes management make presentations and are available for informal meetings with families during the cruise. There are opportunities to learn about the latest technology in managing Type 1 Diabetes and families have access to representatives from these companies in a relaxed environment which is another important component. Jelly Bean Cruise provides an opportunity for families, who are often isolated & alone to come together with other families and provide support to each other during and beyond the cruise.

Children type ONE and type NONE get the opportunity to be included in all aspects as it has been designed that way. Often they are sitting on sidelines at sporting fixtures or at home which can lead to other social issues. The cruise also gives families respite and recreation in an environment where their children are safe.

Fundraise locally or within your organisation for a type ONE child or a family to join DANII friends and be educated.

You'll love our revised conferencing times that are designed to give delegates more freedom aboard so T1D information is more easily digested from our educational & interactive seminars; have more time to experiment with changes to a T1D's routine aboard ship and what's more, there's a stopover on five islands in two countries – Vanuatu & New Caledonia – a great chance to walk-off all the yummy food served on-board and even learn how to snorkel!

Jelly Bean Cruise fares include participation in all diabetes specific workshops (both adult & child education), all meals including morning & afternoon tea, special onboard activities, onboard entertainment as well as our ValuePlus Ty1D networking activities. Learn about the latest technology available to manage diabetes from our DANII Medical Team experts & even trial CGM whilst you are on-board.

Because space is strictly limited and triple/quad berth and/or interconnecting cabins are on a first come-first served basis, we urge you to sponsor a family and change their life today! Click [HERE](#) to view pricing & itinerary cruise info!
