

FREEDOM TO LIVE IN THE MOMENT WITH DEXCOM G6

EXPERIENCE THE FREEDOM OF DEXCOM G6 CGM

-  Zero fingerpricks, no calibrations required and no scanning*
-  Customised alerts and alarms direct to your compatible smart device†
-  Share real-time glucose data with up to 5 loved ones for peace of mind‡
-  Waterproof transmitter and sensor to fit in with your lifestyle

TO APPLY FOR A CGM TRIAL - Contact team@danii.org.au for more information

TO APPLY FOR A CGM SCHOLARSHIP GRANT - Complete the DANII Foundation Application form [HERE](#)

*If your glucose alerts and readings from the G6 do not match symptoms or expectations, use a blood glucose meter to make diabetes treatment decisions.† A full list of compatible devices can be found at: dexcom.com/en-AU/compatibility.‡ The Dexcom App and Dexcom Follow App must be downloaded for this feature. Internet connectivity is required. § The Dexcom G6 Sensor and Transmitter are water resistant and may be submerged under 2.4m metres of water for up to 24 hours without failure when properly installed. || Fees apply, please contact DANII Foundation for more information, terms and conditions.
